摘 要

本报告以文学性军事回忆录《当天空属于我们时》的英汉翻译实践为对象，重点考察人物关系意象、文化专名和语篇回指在汉译中的处理。源文兼具飞行与军旅信息、第一人称回忆、口语对话和跨文化指称等特征。项目以段落为基本处理单位，保存源文、初译、终译和审校记录，并对 273 个源译段开展全量复核；其中 188 段使用了翻译记忆，34 条历史可处理问题均已完成处置。为避免把技术性错位包装成翻译策略，报告先执行真实初译—终译修订准入审查，再从 22 项合格修订中选取三项证据互补的核心案例。分析表明：汉语句法压缩可以与人物关系意象的保留并行；文化对象核验和人称回指恢复需要分别处理；英语计词表达转入汉语时，应避免把词数机械转换为字数，整句回指能够消除目标语内部矛盾。报告同时以翻译质量评价、文学翻译衔接和叙事视角研究约束结论强度。研究说明，基于可核验文本变化的审校流程能够提高案例分析的可追溯性，但单一项目、缺少译者同期说明和没有中文读者实验限制了结论的外推范围。

ABSTRACT

This report examines the English-Chinese translation of the literary military memoir *When the Sky Was Ours*, with particular attention to relational imagery, cultural names, and discourse reference. The source text combines aviation and military information with first-person recollection, conversational language, and cross-cultural references. The project retained the source text, initial translation, final translation, and review record for each paragraph and reviewed all 273 source-target segments. Translation memory was used for 188 segments, and all 34 historically actionable review issues were resolved. To prevent technical misalignment from being misrepresented as a translation strategy, the report first applied an eligibility check for genuine initial-to-final revisions and then selected three complementary cases from 22 eligible revisions. The analysis shows that syntactic compression in Chinese can coexist with the retention of relational imagery; cultural-object verification and the restoration of personal reference require separate treatment; and English word-count expressions should not be mechanically converted into Chinese character counts, because a whole-utterance reference can remove an internal inconsistency in the target text. Research on translation quality assessment, cohesion in literary translation, and narrative viewpoint is used to constrain rather than replace the textual analysis. The study suggests that an evidence-grounded review process improves the traceability of case analysis, while the single project, absence of contemporaneous translator accounts, and lack of Chinese reader testing limit generalisation.

1 引言

1.1 研究背景及意义

本报告以英语文学性军事回忆录《当天空属于我们时》的汉译实践为对象。

源文将飞行训练、战争记忆、家庭关系和成长经验编织在同一叙事中，既包含飞机操纵、航向和军旅经历等专业信息，也包含口语对话、文化专名、意象复现和时间跨度较大的回忆。此类文本的翻译困难并不只表现为某个词“是否译对”，还表现为人物关系是否在叙述中延续、文化对象是否被正确识别、指称形式是否与目标语的表达单位匹配。

翻译实践报告若只以“准确、流畅、自然”等总体判断评价译文，难以说明问题发生在哪里，也无法验证所谓策略是否真正作用于文本。House 关于翻译质量评价的讨论强调，应把语言描述、解释性比较与社会价值判断区分开来，译文评价必须回到源文—译文关系及具体语境。House（2001）提出的功能—语用分析也提示，语言形式、语域、体裁和语境需要结合考察，而不能用单一标签代替逐例论证。

本项目共保存 273 个源译段。报告在全量证据审计后，只选择通过真实初译—终译资格门禁且没有系统完整性标记的三项案例。研究意义主要有两点：

其一，以逐字证据呈现初译问题、终译变化和文本效果，使案例分析能够被复查；其二，把语言修订与系统对齐修复严格分开，避免把段落复制、跨段污染或未翻译标题误写成译者的翻译决策。

在研究方法上，本报告不以终译是否“顺眼”作为案例入选标准，而是先核对源文、历史初译和当前终译，再检查审校问题、修复记录与完整性标记。只有存在真实且有意义的双版本变化、同时没有系统错位或跨段污染的段落，才进入修订案例池；随后再按问题互补性选取三项核心案例。文献在此承担概念界定和分析限制功能，不能替代项目文本证据。由于没有取得可核验的译者同期说明，本报告不追溯推断翻译意图，也不把技术性修复记录表述为译者自述。

1.2 研究问题

本报告围绕以下问题展开：

第一，源语文本的文学性回忆叙事呈现出哪些与人物关系、文化信息和语篇回指有关的翻译难点？

第二，三项有记录的初译—终译变化分别如何处理上述难点，其可观察文本效果是什么？

第三，证据化审校流程如何约束案例选择和质量判断，其适用边界是什么？

1.3 报告结构

全文按学院规定分为四章。第一章说明研究背景、研究问题与报告结构。第二章介绍项目、译前准备、翻译过程和译后管理，重点交代证据是如何保存、复核和分类的。第三章先归纳回忆录的文本特征和实际难点，再分析三项真实修订案例，分别讨论人物关系中的隐喻、文化专名与指称链、跨语言元语言回指。第四章逐项回应研究问题，提炼项目内可迁移的方法，并说明单一项目、缺少作者说明和没有读者实验等限制。

2 翻译项目概述

2.1 项目简介

源文件题名为 WHEN THE SKY WAS OURS，作者栏记录为 ZE'EV RAZ，版权页注明该英语文本由 Sarah Mageni 从希伯来语译出。因而，本项目处理的是英语版本向简体中文的翻译，不对希伯来语原作与英语译本之间的关系作二手推断。文本体裁可概括为带有文学叙事特征的军事回忆录：叙述主体在童年、飞行训练和战争经历之间往返，专业飞行语汇与家庭记忆、历史人物、歌曲和影片名称并置。

项目以段落为基本处理单位，同时保存源文、初译、终译、审校状态、翻译记忆来源和审校问题。最终状态中，273 个段落均已完成审校；其中 188 个段落记录为翻译记忆复用。这里的“复用”只是过程事实，不直接等同于质量合格；段落仍须满足源译对应和当前审校问题准入要求。

2.2 翻译流程

项目流程由译前准备、翻译过程和译后管理三个阶段构成。其核心不是把模型输出直接视为成品，而是让每一轮文本变化都能回到可核验的段落证据，并把语言修订、系统修复和未解决问题分开记录。

2.2.1 译前准备

译前首先识别文本体裁、受众和文体约束。项目画像将文本归入文学领域中的回忆录/自传体小说，目标读者为对以色列历史、军事和家庭故事感兴趣的普通中文读者；文体要求是保持第一人称回忆叙事、对话的口语感以及历史文化信息的可识别性。由于文本同时含有飞机型号、飞行状态、以色列地名和人物名，译前准备不能只建立词表，还需要预先区分三类项目：技术术语需要概念稳定，人物和地名需要全篇一致，作品名称需要先确认文化对象身份再决定中文呈现。

项目没有把未经冻结的术语判断写成论文中的既定事实。最终证据显示术语冲突为零，但这只说明当前规则下没有记录到冲突，并不证明所有专名译法

都存在唯一标准答案。对影片名《牢狱大暴动》的处理另行核验了作品身份；

对人名、地名和飞行器名称则以同一文本内部的一致性和中文可读性为主要判

断依据。

2.2.2 翻译过程

翻译阶段按语义批次处理段落，并保存初译和后续终译。初译记录的作用

不是展示一个人为构造的“错误版本”，而是保留实际文本演变；若初译缺失，

就不能在论文中补造。对已保存双版本的段落，系统只把词汇或内容发生有意

义变化者列入修订候选，空格和纯标点变化不计入核心案例。

翻译记忆用于复用已经审校的源译对，但复用段仍受完整性检查约束。项

目后续发现，历史状态中个别段落存在上一段译文复制、跨页内容提前并入和

结构化输出残留等问题。这些问题说明，仅有“已审校”或“来自翻译记忆”的状

态记录不足以证明源译对应；因此又增加了对相邻段近重复、异常长度比例和

跨页边界的定向检查。

2.2.3 译后管理

译后管理先处理历史审校记录，再进行全量对齐补遗。原项目有三十二条待处理审校问题；复核过程中另建立两条用于纠正错挂或遗漏的技术性审校记录，因此历史累计可处理问题为 34 条。所有原问题均按“接受并修复、驳回误报、纠正错挂”记录处置，而不是为了清零机械采纳。当前待处理问题为 0 条。

全量补遗还识别出作者名误译、相邻段复制、跨段污染、英文标题未翻译和结构化输出残留等系统完整性问题。修复前后的完整状态均单独保存，历史初译没有被覆盖。相关段落带有持久完整性标记：即使终译已经恢复正确，它们也不能转化为论文核心修订案例。技术性修复记录与作者证据分开保存，也不表述为作者本人的翻译意图。

这一流程最终形成两条相互独立的判断线：语言层面判断某一终译是否较好地处理了可观察问题；证据层面判断该段是否有资格支持“真实修订案例”的历史性叙述。前者成立不必然推出后者成立，系统故障修复正是二者必须分离的原因。

3 翻译项目案例分析

3.1 源语文本的类型与特征

源文本的基本类型是第一人称军事回忆录，但其语言并非单一的纪实说明。

叙述在飞行操作、童年记忆、家庭交流和历史事件之间切换，常以短句、对话和突转保持口述感，又通过反复出现的手、目光、声音和飞行感知组织人物关系。Eekhof 等（2020）把叙事视角区分为感知、认知和情感等维度，并指出视角可以通过词汇标记被系统识别。该框架在本报告中只用于识别叙述焦点，不直接移植其荷兰语词表。

第二类特征是文化信息密集。人名、地名、军史事件、歌曲和影片标题往往同时承担指称和情节功能。译名若指向错误对象，问题不仅是“名称不统一”，还可能改变人物选择、对话含义或场景背景。第三类特征是语篇回指。Károly 等（2022a）指出，指称形式通过与文本中其他成分的关系获得解释，不能脱离语篇链孤立分析。本项目中的人称主语、指示词和计量表达都需要在前后句中确认所指。

3.2 翻译难点

结合全量审校和正式案例门禁，本报告把主要难点归纳为三个层次。第一，文学意象与人物关系同时存在时，中文若只追求抽象释义，可能抹去贯穿语篇的形象；若逐词直译，又可能产生生硬句法。第二，文化专名和人称指代位于同一叙事段时，一个错误片名与一个被泛化的主语会分别破坏文化对象身份和局部视角。van Krieken (2018) 的实验说明，上下文视角标记可能影响读者把歧义感知归于人物还是叙述者。本报告只借用这种机制解释文本差异，不声称本项目已经测量中文读者反应。

第三，源语对自身语言形式作计数或命名时，译文不能机械搬运原来的语言单位。英语中的 words 与汉语中的“字”不处于同一计量层级；若译文引语实际字数与后文计量冲突，读者会在同一目标语表层看到不一致。三个难点分别由以下三项真实修订展开。

3.3 翻译策略与解决方案

3.3.1 案例一：隐喻保留与叙事节奏

原文： Back then, Dad wasn't building houses yet; he was repairing machines. Even then, I think I already sensed that he did things I would never be able to do. Many years later, I asked him to teach me how to weld. "What do you need that for?" he replied, as was his way, once again evading the outstretched hand.

初译： 那时，父亲还未开始建造房屋，他还在修理机器。即便在那时，我想我已隐约感觉到，他所做的事情是我永远无法企及的。多年以后，我请他教我焊接技术，他却以他一贯的方式回答：“你需要那个做什么？”再次避开了我伸出的手。

终译： 那时，父亲还没有盖房子，仍在修理机器。即便当时，我想自己已经隐约意识到：他会做一些我永远也做不到的事。多年后，我请他教我焊接。他仍用一贯的口吻答道：“学那个干什么？”又一次避开了我伸向他的手。

该段的难点集中在父子关系的间接呈现。源文先写父亲修理机器和“我”对其能力的敬畏，随后以多年后的焊接请求回到二人的交流方式。初译“他却以他一贯的方式回答”信息完整，但结构拖沓；“你需要那个做什么”带有英语句法痕迹；末句“再次避开了我伸出的手”保留了形象，却与前句衔接松散。审校记

录曾建议直接改为“再次回避了我的请求”，这种处理能消除生硬感，却会把可
视的手部意象完全抽象化。

修复记录采取了不同处理：将“你需要那个做什么？”改为“学那个干什么？”，把问句压缩为符合父亲口吻的汉语反问；同时把“再次避开了我伸出的手”调整为“又一次避开了我伸向他的手”。终译没有删除“手”，而是通过“我伸向他”的方向关系把动作和请求重新连接。这样处理的可观察效果不是笼统的“更自然”，而是两点：问句的宾语从含混的“那个”恢复为具体行为“学”，手部意象则继续承担父亲拒绝亲近或拒绝回应的叙事功能。

Al Herz (2016) 的英阿个案显示，局部词汇语法变化可能与宏观叙事视角和人物塑造相关。该结论不能直接外推到本项目，但可以说明为何本例不能只比较单个问句：末尾的“手”仍需放回家庭访问、父亲手势和身体记忆构成的语篇环境中。终译保留意象是系统审校记录中的修复选择，不等于已获得作者关于创作意图的说明。

3.3.2 案例二：文化对象识别与明确回指

原文： On the way, Amos said there were two movies in Haifa that we could see – Some Like It Hot, playing at the Palace Cinema, and Riot in Cell Block 11, showing at the Domino Cinema. The girls wanted to go to the Palace, and we wanted to go to Domino. They took a vote, and it ended in a tie – eleven girls and eleven boys. He whispered quietly, ‘Palace, Palace.’ Amos said that if it was a tie, he would decide; we were going to Domino. Someone said, ‘Marilyn Monroe,’ and Amos replied, ‘If it were Brigitte Bardot’ ... and Noam added, ‘Or Roni Hofner.’ But he was sitting at the far end of the second row in the truck, so she didn’t hear him.

初译： 路上，阿莫斯说海法有两部电影可选——《热情如火》在皇宫影院上映，《监狱摇滚》在多米诺影院放映。女孩们想去皇宫，我们想去多米诺。他们投票表决，结果平局——十一个女孩对十一个男孩。有人轻声嘀咕：“皇宫，皇宫。”阿莫斯说平局由他定夺，我们去多米诺。有人说：“玛丽莲·梦露。”阿莫斯回应：“要是碧姬·芭铎……”诺姆插嘴：“或者罗妮·霍夫纳。”但他坐在卡车第二排靠边位置，她没听见。

终译：路上，阿莫斯说海法有两部电影可看——皇宫影院放《热情似火》，多米诺影院放《牢狱大暴动》。女孩们想去皇宫，我们想去多米诺。投票结果打成平手——十一个女孩对十一个男孩。他低声念叨：“皇宫，皇宫。”阿莫斯说，既然平票，就由他决定：去多米诺。有人说：“玛丽莲·梦露。”阿莫斯回答：“要是碧姬·芭铎还差不多……”诺姆又加了一句：“或者罗妮·霍夫纳。”但他坐在卡车第二排最那头，她没有听见。

本例包含两个相互独立但共同影响场景理解的问题。其一，初译把 Riot in Cell Block 11 处理为《监狱摇滚》，后者会使中文读者联想到另一部以音乐为显著特征的影片，而该段随后叙述的是牢房暴动、狱警和囚犯。修复记录在核验影片身份后，将“《监狱摇滚》”改为“《牢狱大暴动》”，使片名与后文情节同指一个文化对象。其二，源文在平票之后写 He whispered quietly，初译用“有人轻声嘀咕”把男性单数回指改成了不定人称。终译将“有人轻声嘀咕”改为“他低声念叨”，恢复了原文保留的男性视角位置。

这两项变化分别作用于文化指称和人称指称。前者避免对象识别错误，后者没有擅自指定“他”究竟是哪一名男孩，而是保留源文同等程度的指称信息。

Károly 等（2022a）关于指称关系不能孤立解释的论述在此提供了分析方法。

对“他”的解释需要结合平票、男孩与女孩的分组以及后续阿莫斯发言，不能把

终译的明确代词误写成已解决全部人物身份歧义。van Krieken 的实验结果同样

只说明视角标记可能影响解释路径，不构成本项目的读者效果数据。

3.3.3 案例三：元语言计量与整句回指

原文：“You will not have a war,” Matti suddenly said. Those five words have echoed within me for fifty years.

初译：“你不会经历战争，”马蒂突然说道。这五个字在我心中回响了三十年。

终译：“你不会经历战争，”马蒂突然说道。这句话在我心中回响了三十年。

源文第二句为 Those five words，其中 five 描述英语表达的词数。初译写“这五个字”，但中文引语“你不会经历战争”在目标语表层并不是五个汉字。问题由此从源语事实转变为译文内部矛盾：读者会自然地把“五个字”理解为对前述中文引语的计字。终译将“这五个字”改为“这句话”，不再复制源语的计词单位，而是保留其核心指称功能——指向马蒂刚刚说出的整句言语。

该修订的优势可以精确表述为：它消除了目标语可直接核对的数量冲突，同时没有改变“这段话五十年来持续回响”的时间意义。其代价是弱化了源文 five 所带来的形式强调。若保留数字，必须重写前面的引语，使目标语计量重新成立，但那会改变马蒂话语的词汇选择；现有记录没有显示曾采用这一备选方案。因此，本报告只确认“这五个字”至“这句话”的实际变化及其文本效果，不推断当时为何作出修订。

3.3.4 跨案例综合

三个案例体现了由局部形式进入语篇功能的不同路径。案例一要求在汉语节奏调整中保留人物关系意象；案例二要求先识别文化对象，再维持人称回指的信息量；案例三要求区分英语计词与汉语计字，并把回指单位调整为目标语中成立的“句”。共同点不在于它们使用同一个策略标签，而在于终译都消除了一个可定位的问题，同时保留源文仍需传递的关系。

这种比较也说明证据边界的重要性。案例一与案例二有审校问题和技术性修复说明，可以讨论记录在案的问题与解决方式；第三例只有真实双版本，没

有同期审校记录，因而只能分析可观察差异。任何一例都不能据此推出文学翻

译中的普遍错误频率，也不能把技术性修复记录写成真实作者的心理活动。

4 总结与反思

4.1 研究问题回应

对于第一个研究问题，本项目的文学性军事回忆叙事至少呈现三类相互关联的难点：人物关系通过意象和口吻间接显现，文化专名与人物指称共同参与场景建构，源语元语言表达需要根据汉语计量和回指习惯重新建立内部一致性。这些难点都超出孤立词义替换，需要回到段落和语篇链中判断。

对于第二个研究问题，三项真实修订分别显示：汉语句法压缩可以与意象保留并行；文化对象核验和代词信息量恢复可以在同一段落分别处理；源语计词单位不宜机械转写为汉语计字单位，改用整句回指能够消除目标语内部冲突。这些回答只描述保存文本中的变化和效果，不生成译者未记录的动机。

对于第三个研究问题，证据化流程的主要作用是设置结论边界。当前全量候选中有 22 项修订通过共享资格门禁，正式论文再按问题互补性和证据完整度选择三项核心案例；作者名误译、相邻段复制和跨段污染等系统修复则因持

久完整性标记被排除。该区分使“译文已被修好”与“该段可以证明真实翻译修订”不再混为一谈。

4.2 实践经验与可迁移方法

第一，案例选择应晚于全量源译对齐检查。若先写论文、后检查段落边界，系统错位很容易被包装为所谓翻译策略。第二，初译、终译、审校问题和修复动作应分别保存；只有文本差异而没有过程说明时，仍可开展有限的文本分析，但不能补写历史理由。第三，文化专名核验与语篇指称分析需要分层进行：前者回答“对象是谁”，后者回答“表达在上下文中指向谁或什么”。第四，质量评价需要指出具体维度和可观察变化，避免用“更准确、更流畅”代替论证。

Károly 等（2022b）指出，同一文学翻译个案中的不同宏观指标可能给出不同甚至彼此制约的结果。这提醒本项目：一个案例在指称上改善，并不自动意味着其节奏、文化说明或文体效果同样最优；评价必须保留维度差异。

4.3 局限与改进方向

本报告首先受单一项目和案例规模限制。三项核心案例能够展示不同问题机制，却不能代表英语回忆录汉译中的发生率。其次，文献证据来自翻译评价、英匈文学翻译、荷兰语叙事视角实验和英阿小说翻译个案；它们提供分析概念与限制条件，但不能替代英汉语料或本项目的中文读者实验。再次，本报告没有可核验的译者同期说明；技术性修复记录只能证明审校时采用了何种判断，不能还原真实译者的心理意图。

后续改进可从三个方向展开：一是由导师逐项复核三案例的问题定义、理论映射和结论强度；二是在不改写历史证据的前提下，补做中文读者小规模理解测试，检验代词和元语言回指的实际效果；三是将全量对齐扫描前移到翻译阶段，在终译保存前阻止相邻段复制和跨页污染。当前四章正文已通过确定性结构与证据验证后，仍应视为送导师审阅稿，而不是未经人工复核即可提交的定稿。

“And what if the compass gives out on us now?” comes Nadav’s cheerful voice from behind.	“要是现在罗盘失效了怎么办？”身后传来纳达夫 欢快的声音。
“Well, then we use the emergency compass,” I reply.	“那我们就用应急罗盘。”我回答。
“Pretend that we set out with a faulty emergency compass,” the instructor says with a grin.	“假设我们出发时应急罗盘就有故障。”教官咧嘴 一笑说道。
With unrestrained pride, I sing the praises of Cassiopeia, my voice rising as I enthusiastically chant the valor of the Great Bear.	我满怀自豪地赞颂仙后座，声音愈发高昂，热情 地歌颂着大熊星座的英勇。
Both are above the horizon, and our trusty Magister flies straight toward the North Star between them.	两者皆在地平线之上，我们信赖的教师教练机笔 直地朝向他们之间的北极星飞去。
“Beautiful, absolutely beautiful!” roars Nadav, as if I hadn’t taught generations of trainees in the HaNoar HaOved Youth Movement this very lesson just a few short years ago.	“太美了，简直美极了！”纳达夫大声喊道，仿佛 就在几年前，我未曾给哈诺阿尔·哈奥维德青年 运动的几代学员上过这一课似的。

A LOTTERY TICKET IN AFULA	阿富拉的一张彩票
We grew up facing Mount Gilboa, which felt like the edge of the world. We watched as the ruins of the villages Nuris, Mazar, and Zar'in disappeared, and the villages Nurit and Yizre'el took their place.	我们在基利波山对面长大，那座山仿佛就是世界的尽头。我们看着努里斯、马扎尔和扎林几个村庄的废墟渐渐消失，努里特和伊兹雷尔村取而代之。
Grandpa Yaakov and Grandma Sarah owned the first edition of The Little Prince. ("Straight ahead, one cannot go very far.") That is how I learned to read, directly from the words of Antoine de Saint-Exupéry.	雅科夫爷爷和萨拉奶奶珍藏有《小王子》的第一版。（“一直往前走，人走不了多远。”）我就是这样学会阅读的，直接通过安托万·德·圣埃克苏佩里的文字。
Strawberries grew in their garden, their taste still vivid on my tongue, even seventy years later. It was the year that Kibbutz Geva marked thirty years since its founding, and the State of Israel turned three.	他们的花园里种着草莓，那味道至今仍鲜活地留在我的舌尖，即便七十年过去。那一年，基布兹格瓦（Geva）庆祝了建社三十周年，而以色列国也迎来了建国三周年。

The cashier handed him a lottery ticket along with each bus ticket. Grandpa took the bus tickets but left the lottery tickets with the cashier. On the way back, we passed by a beggar sitting near that bus station. I, assuming that compassion was the very reason for the establishment of the kibbutzim and collectives, was stunned when Grandpa walked past the beggar without giving him a single coin.	我本以为同情心正是基布兹和集体社区建立的初衷，然而当祖父未施舍一枚硬币便走过乞丐身边时，我惊愕不已。
Grandpa Yaakov noticed my stunned expression and said, without a smile, “I will not support a system that creates beggars.”	雅科夫爷爷注意到我惊愕的表情，没有笑容地说：“我不会支持一个制造乞丐的制度。”

YOU DON'T ARGUE WITH CHICORY For Orly Castel-Bloom Winter 1951, nearly a year after the snow. The Shabbat Queen arrived at Kibbutz Geva too. As on every Shabbat, I slept on the yellow folding bed that Dad pulled out from under his and Mom's bed in their small room in the "railway cabin." They did not need a third bed, as they had only one child then – a three-and-a-half-year-old.	别与菊苣争辩 作者：奥莉·卡斯特尔-布鲁姆 1951年冬天，雪后将近一年。安息日女王也降临到了格瓦基布兹。和每个安息日一样，我睡在黄色折叠床上，那是爸爸从他和妈妈小房间的床底下拉出来的，房间位于“铁路车厢”式小屋中。他们不需要第三张床，因为那时他们只有一个孩子——一个三岁半的孩子。
The cabin wasn't called that because of the Valley Railway, but rather because there was a short row of cabins lined up like train cars. In one of them, further south, a cache had been dug, rediscovered many years later. But at the time, I did not know that, and I doubt I even knew what a cache was. Three and a half years old.	那间小屋之所以得名，并非因为山谷铁路，而是因为有一排短小的屋子排列得像火车车厢。在其中一间更靠南的屋子里，曾挖有一个藏物处，多年后才被重新发现。但那时，我并不知道这件事，我甚至怀疑自己当时是否知道什么是藏物处。三岁半。
My very first memory is of a fig leaf dancing in the wind, embroidered on the curtain shading the west-facing window, overlooking the jackals howling at night. There was another window, facing north, toward the fireflies. Dad and Mom were still friends, or so it seemed to me at three and a half years old.	我最早的记忆是一片无花果叶在风中起舞，绣在遮挡西窗的窗帘上，窗外是夜晚嚎叫的豺狼。还有一扇朝北的窗户，对着萤火虫。爸爸和妈妈那时还是朋友，至少在我三岁半时看来是这样。
"Did you call for the jeep?" Mom asked again. "I did," Dad replied. We didn't lock the door. It couldn't be locked. There was no reason to lock it. The jeep was open. I sat in the back, inhaling the smell of burnt gasoline. The road eastward, to Beit HaShita, was short, even by tractor. The jeep covered it in no time,	“你叫了吉普车吗？”妈妈又问了一遍。“叫了，”爸爸回答。我们没有锁门。门也锁不上。没有理由去锁。吉普车敞开着。我坐在后座，吸入烧焦

I was utterly surprised when we didn't collide with them.	汽油的味道。向东通往贝特哈什塔的路，即使开拖拉机也很短。吉普车转眼间就到了，但对我来说，这段路足够长，足以让我被两辆迎面而来的卡车吓到，它们一辆接一辆，从贝特谢安谷地疾驰向哈罗德谷地。当我们没有与它们相撞时，我完全感到惊讶。
We arrived at Beit HaShita. Dad turned off the jeep's engine. Mom extended her arms, and once again, I looked up at both of them from below. Above Dad's head, I saw birds circling at an incredible height. Dad looked up and explained: "Those are scavenger birds. You don't see them in Geva, or Degania, or Ginegar. Only here, in Beit HaShita, Yagur, and Beit Alpha." Mom laughed, and I didn't understand why.	我们抵达了贝特哈希塔。父亲关掉了吉普车的引擎。母亲伸出双臂，我再次从下方仰望他们两人。在父亲头顶上方，我看到鸟儿在难以置信的高空中盘旋。父亲抬头看了看，解释道：“那些是食腐鸟。你在格瓦、德加尼亚或吉内加尔看不到它们。只有在这里，贝特哈希塔、亚古尔和贝特阿尔法才有。”母亲笑了，我不明白她为什么笑。
We entered Azariah and Ruth's room. No one hugged anyone, but there was a great sense of joy in the air. Mom asked Azariah about the Syrians, who had detained him on Mount Hermon six years earlier, before I was born, when Dad was fighting with the British in Italy and had not yet met Mom. Azariah Alon laughed and said that the Syrians don't have horns. Then he asked Dad about his meeting with the Pope in Rome. "Tall tales," Dad chuckled, with that familiar hand gesture of his, from the elbow down to the fingers, sweeping downward. His fingers were slightly blackened with grease or oil.	我们走进了阿扎里亚和露丝的房间。没有人拥抱任何人，但空气中弥漫着巨大的喜悦。母亲问阿扎里亚关于叙利亚人的事，六年前，在我出生之前，他们曾在赫尔蒙山扣留过他，那时父亲还在意大利与英国人并肩作战，尚未遇见母亲。阿扎里亚·阿隆笑着回答说，叙利亚人没有长角。然后他问父亲在罗马与教皇会面的经历。“无稽之

Back then, Dad wasn't building houses yet; he was repairing machines. Even then, I think I already sensed that he did things I would never be able to do. Many years later, I asked him to teach me how to weld. Ruth served coffee and asked me, three and a half years old, how things were in Geva. Someone walked in, patted Azariah on the shoulder, and asked, "Why did they dismantle the Palmach unit, anyway?" "Ask Ben-Gurion, or Tabenkin," Azariah replied without a smile. For a moment, there was a sense of sorrow in that small room in Beit HaShita, which held a painting by Gutman of a few white anemones, but no radio or telephone, and, like everywhere else, there was no reason to lock the door.	露丝端来咖啡，问三岁半的我格瓦那边怎么样。有人走进来，拍了拍阿扎里亚的肩膀，问：“帕尔马赫部队究竟为什么解散？”“去问本-古里安，或者塔本金。”阿扎里亚面无表情地答道。那一刻，贝特哈希塔的小房间里掠过一阵悲凉。屋内挂着古特曼画的几朵白银莲花，却没有收音机或电话；和别处一样，门也根本无须上锁。
"Who is Tabenkin?" I asked. That question was answered later that evening by Grandpa, Dad's father. But he didn't want to talk about Ben-Gurion. After Israel's tenth anniversary celebrations, in the spring of 1958, he told me how he once said to Berl Katznelson, a founder of Labor Zionism: "What do you need that Ben-Gurion for?"	“塔本金是谁？”我问。当天晚上晚些时候，祖父——父亲的父亲——回答了这个问题，却不愿谈本-古里安。1958年春，以色列建国十周年庆典之后，他告诉我，自己曾对劳工锡安主义奠基人之一贝尔·卡茨内尔森说：“你要那个本-古里安干

After Dad passed away, I asked Mom about that trip to the chicory. “What are you talking about?” she said. “We weren’t even friends with Ruth and Azariah. And Beit HaShita was part of the Kibbutz Meuhad faction; who even talked to them?” She said this and turned her back on me, her three-and-a-half-year-old. We were nine years old. It was spring. The poppies were in bloom, and so were the chrysanthemums. Back then, we didn’t know it happened six months before Operation Kadesh, which was in 1956. I remember the smell of burnt gasoline and the moment just before sunrise, when Dad turned off the lights. The red of the poppies and the yellow of the chrysanthemums gave way to the pink of flax and the blue of cornflowers. Dad sang about Samson's foxes carrying torches at night, and that the main things in the jeep were speed, clutch, and reverse. Not a word about Mom or the two other kids he already had then. I asked him if they had found his missing harmonica. "Forget about it," he said. And then he told me about the World War. Brindisi. The mortars. Entering Rome. The squares, the fountains. "You know, Rome is no Afula." Not a word about the meeting of the Jewish soldiers with the Pope, about the way he blessed them in Hebrew. At the Migdal-Ashkelon junction, we stopped. Dad pulled out a thermos of tea and two sandwiches with hard-boiled eggs from the back. "Eat, Zevik, you're a weakling." When we arrived at Nahal Oz, we saw someone in uniform, one eye covered, coming out of the kibbutz dining hall. "What is Moshe Dayan doing here?" Dad wondered. "They killed Roy," answered a woman with red, tearful eyes. "Dayan came here last night for a relative's wedding. We had four weddings planned for yesterday. He stayed over for the funeral." "Don't ask what they did to Roy's body before they returned it to us." "Who is Moshe Dayan?" I asked. "The Chief of Staff," Dad replied. I did not ask what a Chief of Staff was, who Roy was, or what they had done to his body. I was too embarrassed. Dad took my hand, and we joined a long procession following a coffin draped in the Israeli flag. High above us, large birds circled in the sky. The people carrying the coffin on their shoulders lowered it into a grave. Soldiers fired rifles pointed toward the sky. Dad covered my	获得了许可，她把手放在我的头上，看着我的眼睛，听了听我的呼吸。“没有哮喘。而且也是篝火节。没问题。”天还黑着，我们都还在睡梦中，爸爸叫醒了我。“刷牙，泽维克。”“其他人呢？”我问。“只有你一个去。”爸爸回答。他三十五岁，三十五岁。我三十五岁时在哪里？第一次黎巴嫩战争。五次战争之后。我坐在吉普车的右边。我记得烧汽油的味道，以及日出前的那一刻，爸爸关掉了车灯。罂粟的红和菊花的黄让位给了亚麻的粉和矢车菊的蓝。爸爸唱着参孙的狐狸在夜里带着火把的故事，还说吉普车里最重要的是速度、离合器和倒挡。关于妈妈或他那时已经有的另外两个孩子，他只字未提。我问他是否找到了他丢失的口琴。“别提了。”他说。然后他给我讲了世界大战的事。布林迪西。迫击炮。进入罗马。广场，喷泉。“你知道，罗马可不是阿富拉。”关于犹太士兵与教皇的会面，关于他用希伯来语为他们祝福的方式，他只字未提。在米格达尔-阿什凯隆路口，我们停了下来。爸爸从后面拿出一个装着茶的热水瓶和两个夹着煮鸡蛋的三明

Moshe Dayan pulled a piece of paper out of his pocket and read from it. A strong wind blew from the west. I caught fragments of sentences. From ourselves, we will demand his blood. How did we shut our eyes. With all of its cruelty. To tear us to pieces. A steel helmet and a cannon's mouth. To plant a tree and build a home. Shelters. Barbed wire. A machine gun. Millions of Jews. The ashes of history. A land for our people. A sea of hatred and revenge. Roy's blood cries out to us. His torn body. Hundreds of thousands of Arabs. The decree of our generation, the choice of our lives. Armed, strong, and unyielding. The sword will fall; our lives will be cut off. The blond boy. The gleam of the blade. Gaza's gates are weighty. He whispered that the barn would collapse when they built it for the first time. And it really did. They had to build it again. The barn story – that came later.	他低声说，第一次建造谷仓时它会倒塌。它确实 倒了。他们不得不重新建造。谷仓的故事——那 是后来的事。
By the time we went to watch the girls shower, it was already dark, and it was almost too easy. There was a casuarina tree, a pipe running along the wall, and a vent on the roof that we remembered from the year before.	当我们去看女孩们洗澡时，天已经黑了，简直太 容易了。有一棵木麻黄树，沿着墙有一根管道， 还有屋顶上的通风口，我们去年就记得这些。
Michal and Roni were even more stunning than I had remembered, and Roni kept looking up, straight at us, and smiling. As if she knew we were watching and did not mind at all.	米哈尔和罗妮比记忆中更加动人，罗妮频频抬 头，直视我们，微笑着，仿佛知道我们在看，却 毫不在意。

On the way, Amos said there were two movies in Haifa that we could see – Some Like It Hot, playing at the Palace Cinema, and Riot in Cell Block 11, showing at the Domino Cinema. The girls wanted to go to the Palace, and we wanted to go to Domino. They took a vote, and it ended in a tie – eleven girls and eleven boys. He whispered quietly, ‘Palace, Palace.’ Amos said that if it was a tie, he would decide; we were going to Domino. Someone said, ‘Marilyn Monroe,’ and Amos replied, ‘If it were Brigitte Bardot’ ... and Noam added, ‘Or Roni Hofner.’ But he was sitting at the far end of the second row in the truck, so she didn’t hear him.	路上，阿莫斯说海法有两部电影可看——皇宫影院放《热情似火》，多米诺影院放《牢狱大暴动》。女孩们想去皇宫，我们想去多米诺。投票结果打成平手——十一个女孩对十一个男孩。他低声念叨：“皇宫，皇宫。”阿莫斯说，既然平票，就由他决定：去多米诺。有人说：“玛丽莲·梦露。”阿莫斯回答：“要是碧姬·芭铎还差不多……”诺姆又加了一句：“或者罗妮·霍夫纳。”但他坐在卡车第二排最那头，她没有听见。
Then she said, ‘Amos, give me enough for the tickets and drop us off at the Palace. What do you say? We’re not kids anymore.’ Amos looked at her and without smiling, said, ‘No way. Absolutely not. Everyone stays together.’ And Tzvika, who always played basketball with Ami and milked the goats with him, said he was changing his vote in favor of the Palace ... and laughed. Amos said that once the vote was done, no one could change their mind, or it would never end. So we headed to Domino.	接着她说：“阿莫斯，给我够买票的钱，再把我们放在皇宫影院。怎么样？我们已经不是小孩子了。”阿莫斯看着她，面无笑意地说：“不行。绝对不行。所有人都得在一起。”茨维卡总和阿米一起打篮球、挤羊奶，这时却说要改投皇宫一票……说完笑了。阿莫斯说，投票既已结束，谁都不能改主意，否则永远没完。于是我们去了多米诺影院。

He was in charge of the rabbits at the petting zoo, and when they got sick and developed sores on their ears, Tzvika gave him a special ointment and helped him apply it. Then he pulled a few almonds from his pocket and handed them to him. He ate them and said, 'Tzvika, when we grow up, we'll plant almond trees with Daniel.' Tzvika let out his big laugh and said,	他负责照料儿童动物园里的兔子。兔子生病、耳朵长疮时，茨维卡给了他一种特制药膏，还帮他涂上。随后，茨维卡从口袋里掏出几颗杏仁递给他。他吃着杏仁说：“茨维卡，等我们长大了，就和丹尼尔一起种杏树。”茨维卡放声大笑，说：
'Almonds? No way, not worth it. Besides, didn't we say you were going to be a fighter pilot? Fighter pilots don't plant almond trees; they launch missiles, drop bombs, and fire from the cannons on their planes.'	“杏仁？不行，绝对不行，不值得。再说，我们不是说好了你要当战斗机飞行员吗？战斗机飞行员不种杏仁树；他们发射导弹、投掷炸弹，并用飞机上的机炮开火。”
We went into Domino, and Amos bought everyone ice cream sandwiches. We sat in the second-to-last row. The newsreel was about infiltrators in the Negev and the Nahal entertainment troupe. They sang He Didn't Know Her Name and Dina Barzilai. The lion roared, and the movie began. Good thing it wasn't in color like The Wizard of Oz, because there was a lot of blood. It was about a massive prison in America with sadistic guards, especially the head warden. The prisoners in Block 11 spent their nights making knives and even crude guns, plotting a revolt. After dinner, they returned to their cells. The guards locked the doors, turned off	我们走进多米诺电影院，阿莫斯给大家买了冰淇淋三明治。我们坐在倒数第二排。新闻短片播放的是关于内盖夫渗透者和纳哈尔文工团的报道，他们唱了《他不知道她的名字》和迪娜·巴拉齐尔的歌。狮子吼叫，电影开始了。幸好不是像《绿野仙踪》那样的彩色片，因为里面有很多

As Dalia walked out of Domino, a page slipped from the book she had been holding the whole time, and he picked it up. It wasn't a page from the book; it was handwritten:	达莉亚走出多米诺影院时，一张纸从她一直拿着的书里滑落，他捡了起来。那不是书页，而是一张手写的纸：
When our youth comes to an end, I asked. If our youth ends – then what? they asked. When our youth comes to an end, I said. When our youth comes to an end, I raged. On the way to the valley, he heard Noam say, "So, in fifty years, at this very spot," to which Shaul replied, "That won't even be in the twentieth century anymore." He looked at the Carmel Mountain Range between the sea and the valley, at the Gilboa and Givat Hamoreh, where the squills had suddenly begun to bloom, and he whispered, "Amnon will take his own life, Ami will be killed in the war, and Tzvika, Roni, Dalia, and Amos will be gone too." I first met Matti Birnbaum at the instructors’ course of the Kibbutz Youth. We were fourteen years old, and the course was held at his kibbutz, Yifat. We became friends immediately. Together, we would climb the water tower during our lunch break and watch the Mirage jets landing at the nearby Ramat David airbase, through a monocular. The Mirages had arrived in our country only shortly before, and the sleek delta wing enchanted us. It never occurred to us that four years later, we would meet again in the Air Force’s flying school.	我初次遇见马蒂·伯恩鲍姆是在基布兹青年辅导员培训课程上。那时我们十四岁，课程在他的基布兹伊法特举行。我们立刻成了朋友。午休时，我们会一起爬上水塔，通过单筒望远镜观看幻影战机在附近的拉马特大卫空军基地降落。幻影战机刚抵达我国不久，那流线型的三角翼令我们着迷。我们从未想过，四年后会在空军的飞行学校再次相遇。
Matti enlisted in the summer of 1965. My enlistment was mistakenly postponed, so I began the course eight months after him. Perhaps that is why I am alive today. Who knows.	马蒂于 1965 年夏天入伍。我的入伍被错误地推迟了，因此我比他晚八个月开始课程。也许这就是我今天还活着的原因。谁知道呢。
